Scott Pointon researched the proper flag display and the Crest Hill Branch’s American flag is within the standards. Mayor Soliman has been contacted with this information and he will in turn relay the information to the concerned Crest Hill resident.

AUDIT REPORT FY 12 -13
Joe Martin from the firm of Brian Zabel & Associates P.C. presented the annual fiscal report for the fiscal 
year ending on June 30, 2013. The Board reviewed the audit report. Joe Martin stated his firm presented 
the District with a clean opinion.

The assets of the District exceeded its liabilities as of June 30, 2013 by $3,769,406 (net position). 
Of this amount, $1,737,331(unrestricted net position) may be used to meet the District’s ongoing 
obligations to citizens and creditors. The District’s total net position decreased by $712,748. As 
of June 30, 2013, the District’s governmental funds reported combined ending fund balances of 
$6,441,457, a decrease of $9,034,272 in comparison with the prior year.

There is a new account on this year’s audit called Deferred Inflows of Resources.

The District ended the fiscal year with Cash and Investments totaled at $7,415,775. Bond 
liabilities totaled $22,975,000, and the Total Net Position ended at $3,769,406.

Total revenues totaled $5,387,539 and total expenditures totaled $14,421,811. The IMRF 
funding ratio was at 79.64% which is considered to be a good position.

Scott Pointon stated that in the next fiscal year’s budget the Audit Fund was reduced to 
$1,000.00 to bring it in line with actual expenditures.

Joe Martin stated he found the District to be in a safe, positive fiscal position, with funds being 
managed in a responsible manner. The Board thanked Mr. Martin for his report.

DIRECTOR’ S REPORT
In addition to his written report, Scott Pointon stated the District has hired a new facilities manager to replace John McMahon who is leaving the District for a position at Plainfield Library. Our new facilities manager is David Hesse and comes to the District with considerable experience working in public libraries, and is currently studying to be certified in HVAC systems. Scott Pointon also stated some of the maintenance and custodial staff members are being re-positioned to other District locations and duties.

Scott Pointon is also investigating a suitable auctioneer for the Crest Hill auction. The auctioneer that had done the Lockport auction determined he did not want to do a “live” auction for the Crest Hill items, but would rather do an Internet auction and desired 60% of all sales. As this would not be advantageous to the District, Scott Pointon is pursuing other auction options. The auction may occur in late November or December.
