BUILDING UPDATES
Crest Hill – Value engineering aspects were reviewed. Since further value engineering for Crest Hill could take more time, there is an option to have the Lockport project go out to bid first, with the Crest Hill project bidding later. As long as contracts were not awarded prior to both bid openings occurring, the Board had no objection to Lockport going to bid first. Board members were concerned sufficient funds would not be available for the Crest Hill project.
Lockport – Work is underway to move into the Gaylord Building and our architects are set to go before the Lockport Planning Commission. Scott Pointon will be sending a letter requesting the city waive our building permit.
Romeoville – We are fully operational in the renovated lower level. Waterproofing is being done on the entryway arch and the inner doors are installed. Some archway panels still need to be installed. Many items on the architects punch lists are being worked on. The elevator will undergo a pressure test to determine if a leak is present. The date for this test is currently undetermined. When the testing is being done, we will lose use of the elevator for approximately two days. Depending on the results of the test, we may need to have parts replaced, which will necessitate the elevator being out of service for a longer time period. Lombard will try to coordinate any elevator repair with the opening of our north public stairwell.

EXECUTIVE SESSION—Real Property—none needed.

EXECUTIVE SESSION—Personnel—none needed.

REVIEW OF MOVING/STORAGE EXPENSES
Scott Pointon reviewed the comparison of the library moving company price quotes versus the actual costs. The District has used both Scott Hallett Moving and staff to accomplish all of our moving to date, with significant cost savings.

REVIEW OF STORAGE LEASE
The Board reviewed the proposed storage unit lease, which is for $1,300 per month for one year, with the option of continuing the lease on a month-to-month basis at the same price. The unit has heat and air conditioning, water and a sprinkler system in place. The cost of the storage unit would come out of the contingency line item of the construction project. The utilities on the unit will be paid separately. The Board wanted clarification on the month to month option to continue the lease after the one year period, as the contract had the number (0) in the contract.

Gayle Crompton moved to approve the storage lease at $1,300.00 per month, plus utilities, with the noted clarifications to the contract. Christine Siegel seconded the motion. Roll call indicated: Ayes—Deanna Amann, Gordon Butler, Gayle Crompton, Nancy Hackett, Ann Lopez-Caneva, Christine Siegel, and Adam Sulich. Nays—none. Motion carried.
APPROVAL OF JOB DESCRIPTION
The Board reviewed the job description for Administrative Assistant. This individual would provide general assistance to staff working in the District administrative offices.

Gordon Butler motioned to approve the job description as presented. Christine Siegel seconded the motion. All voted aye. Motion carried.

APPROVAL OF CONTRACTORS’ PAYMENTS
The Board reviewed the contractor payment submitted.
Gayle Crompton moved the Board approve the certificate of payment to The Lombard Company in the amount of $457,150.00. Christine Siegel seconded the motion. Roll call indicated: Ayes—Deanna Amann, Gordon Butler, Gayle Crompton, Nancy Hackett, Ann Lopez-Caneva, Christine Siegel, and Adam Sulich. Nays—none. Motion carried.

SERVING OUR PUBLIC 2.0: STANDARDS FOR ILLINOIS PUBLIC LIBRARIES 2009 EDITION – Chapter 7—Collection Management & Resource Sharing
The Board agreed that our collection management meets library standards. We spend 12% of our budget on materials and the District also fully participates in and promotes interlibrary loan.

Scott Pointon reported the District’s attorney, John Even, is still hospitalized.

ADJOURMENT
Adam Sulich moved for adjournment at 8:16 p.m. Nancy Hackett seconded the motion. All voted aye. Motion carried.
