NON-RESIDENT CARD FEE

Scott Pointon reviewed the process by which the non-resident card fee is calculated. The District uses the general mathematical formula, which resulted in a fee calculated to be \$122.00 for an individual desiring to purchase a library card in the White Oak Library District for the period of one year. Our annual fee has dropped \$4.00 from last year's calculations.

PER CAPITA REVIEW OF ILLINOIS LIBRARY LAW AND RULES

The Board reviewed the Illinois Library Laws and Rules. The library laws and rules cover the supplemental taxes that public libraries may impose and such a review is hoped to heighten awareness of the powers of the Board as described in the Illinois Compiled Statutes. This review is a requirement to enable the District to apply for the FY 2013 Illinois Public Library Per Capita Grant. The District currently imposes all allowable supplemental taxes and takes full advantage of all taxing opportunities.

MEETING ROOM POLICY

Scott Pointon presented a revised meeting room policy for the Board's consideration. As the District will

soon have a vastly improved meeting room for public use at the Romeoville Branch and subsequently such rooms also available at the Crest Hill and Lockport Branches after their construction and renovation, a new and more comprehensive meeting room policy was needed. The Board thanked Scott Pointon for this superior meeting room policy. The Board will review the policy and bring back considerations at the June 26, 2012 Regular Board Meeting.

LOCKPORT CLOSURE FOR CANAL DAYS

The Board agreed it would be prudent to close the Lockport Branch on Saturday, June 16th and Sunday, June 17th during Canal Day festivities, as the Lockport Branch would have no available parking for staff or patrons.
