DIRECTOR’ S REPORT
Scott Pointon reviewed a recent occurrence at the Romeoville Branch that precipitated a change in the District’s Library Behavior Policy. Recently two members of the Sierra Club were standing on the steps
of the Romeoville Branch soliciting signatures for a petition. They were informed they could not do this on library property as they were violating the District’s policy regarding soliciting. The club members stated they were exercising their First Amendment rights. Scott Pointon consulted the District’s attorney who said this was a somewhat grey area of the law and the District would be wise to alter the behavior policy to remove the wording regarding solicitation. As long as the individuals are notimpeding anyone’s entrance into the building or harassing patrons, they could stand on the steps and solicit signatures. They cannot do so inside the building. If a patron visiting the library was made to feel uncomfortable by individuals soliciting them and notified staff of this, the patron would be asked if they would be willing to sign a complaint regarding the solicitation. If this occurred, the library could ask the individuals to cease their activity as we had a patron complaint. The Library would also have the discretion to allow or not allow groups such as the Girl Scouts to actively sell items outside the library.

Scott Pointon also informed the Board our recently hired Children’s Floater had resigned before she actually started work due to personal issues.

The Friends of the Library have approved a proposal from Scott Pointon in which the Friends will give the District their donations annually in one lump sum. The District should see a $5,000.00 donation commitment from the Friends this coming June.

APPROVAL OF FY 2015-2016 PREVAILING WAGE ORDINANCE
The Board reviewed the ordinance before them.

NON-RESIDENT CARD DECISION
Scott Pointon reviewed the reasoning for the existence of a non-resident card. Scott Pointon stated he had discovered that by using the State’s own rules as a determining factor, the White Oak Library District would not be the primary library that those living in an un-served area would approach to purchase a non-resident card. It was further determined that the District’s participation in this program is completely voluntary and that by choosing not to participate, the District would not incur any adverse effects. Scott Pointon recommended the Board vote not to participate in the Public Library Non-Resident Card Services program for FY 2015-2016.

APPROVAL OF NEW LIBRARY BEHAVIOR POLICY
Scott Pointon reviewed the proposed changes. As discussed earlier, the District has the right to ask individuals to cease solicitation if a patron objects and signs a document to that affect. The Board agreed to this change in the policy.
