NON-RESIDENT CARD DECISION
Scott Pointon reviewed the reasoning for the existence of a non-resident card. Scott Pointon stated he had discovered that by using the State’s own rules as a determining factor, the White Oak Library District would not be the primary library that those living in an un-served area would approach to purchase a non-resident card. It was further determined that the District’s participation in this program is completely voluntary and that by choosing not to participate, the District would not incur any adverse effects. Scott Pointon recommended the Board vote not to participate in the Public Library Non-Resident Card Services program for FY 2016-2017.
