## **DIRECTOR'S REPORT**

In addition to his written report, Scott Pointon noted that if the Board desired to go to referendum in November 2016, we must file a resolution with the county clerk by August 31, 2016. The Board would have to make a decision either at the July 26, 2016 meeting, or hold a special meeting in August.

The Board discussed the options of going to referendum in November 2016. The opinion was positive to proceed with the referendum, and Scott Pointon will bring the resolution before the Board at the July 26, 2016 meeting.

Scott Pointon reviewed with the Board the results from the print user survey. We have been distributing these at all branches. Many of the comments on the surveys indicated the public would welcome an increase in library hours. The Board discussed various options for increasing hours if the November referendum was successful and additional funds were available.

## **OLD BUSINESS**

The Crest Hill and Lockport Branches will have weeding and mulching completed in the coming weeks.

The realtor contract for the property at 1298 Theodore Street in Crest Hill will soon expire. The Board discussed the possibility of not renewing the contract and pulling the property off the market for some time.

Victor Zack questioned if there was any possibility the Plainfield Library District would entertain the idea of transferring some of their patrons residing near White Oak Library District boundaries to White Oak.

Scott Pointon will draft a letter to the Plainfield Library District Board of Trustees to determine any interest on their part for a transfer.
