

School Textbooks at the Crest Hill Branch White Oak Library District

Has your child forgotten a textbook at school? You may be able to find it at the Library.

With the cooperation of the schools in our district, the Library maintains a collection of textbooks for public elementary schools in Crest Hill.

These textbooks are for in-library use only. We cannot lend them. The schools do not provide us with workbooks.

You may wish to call ahead and determine if we have the needed textbook. Please provide the name of the school, the subject, and the grade level. 815-725-0234

Currently, we have textbooks for the following schools:

Richland School –Grades 1 to 8

Chaney Monge School –Grades 1 to 8

If your school does not participate in our textbook program, please contact the principal and ask if the school would consider lending one set of textbooks to the Library.
